Mr. B. Keith Brown, President
Colonial Classic Painting, Inc.
525 Rochambeau Drive
Williamsburg, VA 23188

Dear Mr. Brown:

Recently, we completed a contract with Colonial Classic Painting, Inc. for exterior painting of trim and pressure washing of our home in Governor's. We would like to take this opportunity to express how very impressed my husband and I were with the professionalism of your staff. Ken Williams demonstrated his ability to be an excellent customer consultant and was a part of the project from contract to end.

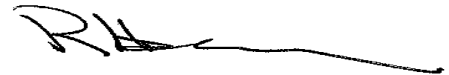

The actual contract was executed by your staff, Brian, Marvin and Roger. Two of these gentlemen were just superior in their professional behavior and were very dedicated to completing the project. The project was not only completed in a timely manner, over nine days, but in a way that the end product was superb. We were very very impressed with the detail work done on the house to prepare for painting and realize that it was your staff that guaranteed an excellent result. We appreciated that they encouraged us to review their work as they proceeded with the project, in case we would have any questions concerning the process being performed.

Thank you most kindly for providing us with the opportunity to use your services with a staff that was an exemplary credit to your organization. Please share our comments with all those involved in our contract.

Sincerely,

Dorothy J. Hammer
