Keith Brown  
Case Handyman/Colonial Classic Painting

Dear Mr. Brown,

I want to tell you how very pleased I am with the work done this past month by Case and Colonial at my home in Kingsmill. Although I have used both firms in the past, both good and bad results, I was especially pleased with the people that worked for you in May.

First, Tracy Davis from Case did a wonderful job in the home repairs. He was conscientious, courteous, and cheerful. Please thank him for me.

Dwayne Tadlock from Colonial managed a job that took 17 days. He worked so efficiently with one partner and several days with many workers. What could have been a disruptive time for me was handled with little or no stress. Again, everyone on the job was pleasant to be around and hard-working. Please thank Tad for me; above all, he was considerate and kind.

I have already recommended your services to friends.

Sincerely,

Faith Amoroso
